Professional Experience

Product Manager
BarBooks Australia (Legal SaaS) | *Jul 2022 – Present*

- Lead product and project delivery for a legal fintech SaaS platform used by barristers and clerks.
- Scaled platform from 0 to 2,000+ users across 7 chambers within two years.
- Launched the first customer site within six months of joining.
- Functions as Product Owner, Tech Business Analyst and Project Manager
- Conduct user interviews, gather requirements, define BRDs/PRDs, user stories and acceptance criteria.
- Manage discovery sessions, backlog grooming, and QA/UAT support.
- Oversee agile ceremonies including sprint planning and retrospectives as Scrum Master.
- Engage with clients for onboarding, training, and support to boost satisfaction and product adoption.
- Report progress to senior leadership, aligning product vision with business strategy.

Business Product Lead – Shopee Ads
Shopee Philippines (eCommerce Platform) | *May 2021 – Jul 2022*

- Country lead for Shopee Ads product across seller segments: Marketplace, Mall/Brands, Cross-border.
- Coordinated with the regional product team (Singapore) on UATs, A/B testing, and feature rollout.
- Designed and launched programs (education, incentives, services) that doubled ad revenue.
- Delivered weekly brand performance reports and presentations to external stakeholders.
- Managed an 18-person Paid Ads team; monitored KPIs and optimized team execution.

Program Management Associate – Seller Strategy
Shopee Philippines (eCommerce Platform) | *Nov 2020 – May 2021*

- Used product and user data to design programs that improved ads adoption and revenue.
- Owned end-to-end implementation: strategy, execution, reporting.
- Collaborated across Product, BI, Marketing, and Business Development teams.
- Built KPI dashboards and maintained data accuracy across performance trackers.

Business Development Officer
PAL Express (Airline) | *Apr 2018 – May 2020*

- Led business proposals for new hubs, routes, and company reorganization strategies.
- Produced key reports: route profitability, market competition, cost-efficiency.
- Helped launch 'Guide to the Philippines', a digital travel platform and new business line.
- Built manuals and readiness checks for new route and hub rollouts.

Business Development – Startup (Concurrent with PAL Express)
Guide to the Philippines (Online Travel Platform) | *Jan 2019 – Apr 2020*

- Led operational buildout: vendor onboarding, process flows, QA, and dashboards.
- Supported concept-to-launch execution including business models and system testing.

Project Development Specialist (Management Trainee)
Filinvest Land Inc. | Aug 2015 – Feb 2018

- Rotated through departments under a leadership program.
- Handled feasibility studies, financial models, budgeting, and sales strategies for residential projects.
- Proposed raw land development opportunities and managed lifecycle from concept to handover.
